February 11, 2010

Dear Parents/Guardians,

On February 22nd and 23rd the AMS Science Fair will be set-up in the cafeteria. As a result, students will need to eat their lunches on the basket ball court area. Students who have ordered meals from our lunch program will be served a turkey submarine sandwich, organic carrots, fresh fruit and milk. If you have already purchased meals for both days and do not want your child to have the sack lunch, please provide a lunch for your child and submit the form below to your child's teacher by Wednesday, February 17, 2010. If the form is not received, there will be no credit given for the lunches. We apologize for any inconvenience this may cause.

Sincerely,

Teresa Potter- Principal

I have purchased lunches on February 22nd and 23rd for my child and do not want a lunch ordered for my child on those days. By submitting this form, my child's lunch account will be credited for two meals.
